Woodworking Class books will inspire you to build or restore your own wooden furniture and get beautiful results. Even if you're a beginner, the clearly illustrated, carefully detailed and easy-to-follow instructions will transform you into a capable craftsman and home improvement expert. Instructions cover virtually every aspect of working with wood, from construction techniques to finishing, staining, painting and decorating items to professional standards. Upholstery takes you step-by-step through every stage of the upholsterer's craft, showing you the tools and materials you'll need and guiding you through the various stages of construction. Seven different projects are presented, starting with a relatively easy stool and progressing to a winged chair.
