A Naturalist's Guide to the Birds of Britain & Northern Europe (Naturalist's Guides) Peter Goodfellow

A series of photographic wildlife identification guides. Each title features approximately 280 species that a keen amateur might expect to see in the field or garden. High quality photographs are accompanied by full species descriptions, giving identifying features, as well as details of size, habits, habitats and distribution.

Each title is written by an acknowledged expert in the subject with photographs supplied by Paul Sterry, a biologist whose interest in natural history spans more than 50 years.
