## **Chronicles of the Vampire Hunters: Creation** Dustin J. Palmer

They are known by many names, from Gods and Immortals to Demons and Vampires. They are whispers in the shadows, myths, and legends. They have existed alongside mankind for thousands of years, always in hiding, always feeding. They are the top of the food chain and humanity is their only prey. Alone and outnumbered a small group of men and women stand their ground, fighting to drive back the darkness anyway they can. They are our first, last, and only line of defense against monsters that know no fear. They are the Vampire Hunters. Jake Bishop is a normal, easy going kid that spends his summer days playing with his action figures and watching cartoons. The biggest, Earth shattering problem in his life are his parent's nonstop arguments over money. That all changes one hot summer night, when a demon from his father's past comes crashing back into his life. Jake is plunged into a surreal, terrifying world beyond his worst nightmares. Jake is nearly killed, his mother kidnapped, sending his father into a mad quest for revenge. Jake learns two truths, vampires exist and the Bishops have been hunting them for hundreds of years. And they are VERY good at what they do.
