"Desert Jewel is a captivating read of love and survival." Rebellion brews inside Milenda's heart as the date for the Trials approaches. As the heiress to the throne of Natale, she is forced to choose a consort from the survivors of the grueling quest across the desert. Milenda's heart belongs to Jaali and wants no part in the ancient and cruel ritual, but the Elders—the true rulers of Natale—will not back down. Jaali was brought from the far North as a child slave. His only chance to be with the woman he loves is to volunteer for the Trials, no matter how dangerous or how much Milenda objects. Together they begin their journey of discovery and rebellion against the Elders. But will their love be enough or will they lose everything they've fought for?
