Hans Christian Andersen

Best Fairy Tales (Collector's Library) Hans Christian Andersen

Hans Christian Andersen was the profoundly imaginative writer and storyteller who revolutionized literature for children. He gave us the now standard versions of some traditional fairy tales - with an anarchic twist - but many of his most famous tales sprang directly from his imagination. The thirty stories here range from exuberant early works such as 'The Tinderbox' and 'The Emperor's New Clothes' through poignant masterpieces such as 'The Little Mermaid', 'The Little Match Girl' and 'The Ugly Duckling', to more subversive later tales such as 'The Ice Maiden' and 'The Dryad'. This is the classic translation by Jean Hersholt. Illustrated by various artists, with an Afterword by Ned Halley.

Nancy Herman:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Best Fairy Tales (Collector's Library) can make you feel more interested to read.
