The Witch-Woman: A Trilogy About Her

The Witch-Woman: A Trilogy About Her

The Witch Woman collects three fantastic novellas set in Poictesme, the imaginary medieval land featured in such Cabell classics as _Jurgen_ and _Figures of Earth,_ all dealing with the most central of Cabell themes, the elusive feminine ideal, here personified in the seductive Ettarre la Beale, the third daughter of Dom Manuel the Redeemer. Here we read how a poet, a king, and a bishop (who also happens to be a werewolf) sought the unattainable Ettarre, and what became of them.
