Easy-To-Build Shelving & Storage: Practical Projects for the Home Workshop Tim Snyder

A table saw, router, basic hand tools, and this fantastic reference are all you need to make these handsome projects. Start simply with a sturdy kitchen knife block, and move on to a chest of drawers, a buffet cart, and finally an elegant country storage bench. Cutaway drawings show exactly how each design fits together, while line illustrations detail each individual part. Action photos from the shop show how to achieve each basic technique to make any of these practical projects for every room in the house. The living room gets a formal bookcase, and the dining room a jelly cupboard, plus 22 more projects to brighten your home.
