Lemons in the Chicken Wire Alison Whittaker

From a remarkable new voice in Indigenous writing comes this highly original collection of poems bristling with stunning imagery and gritty textures. At times sensual, always potent, *Lemons in the Chicken Wire* delivers a collage of work that reflects rural identity through a rich medley of techniques and forms. It is an audacious, lyrical and linguistically lemon flavored poetry debut that possesses a rare edginess and seeks to challenge our imagination beyond the ordinary. Alison Whittaker demonstrates that borders, whether physical or imagined, are no match for our capacity for love.
