Excerpt from Loyal Responses, or Daily Melodies for the King's Minstrels

May I be pardoned for asking my readers to accept all I have said in these little books in lieu of letters For the endeavor to answer their most kindly meant and often very interesting communications is becoming a serious tax upon time and strength, and an increasing hindrance to doing other work.

Should any of my friends wish that noth ing previously seen in lea et form had been included in this little book, they must par -don it for the Sake of the known wishes of many others, who would be disappointed not to find here a few already familiar verses, such as the Consecration Hymn and Trusting Jesus.'
