Sayers on Holmes

Dorothy L. Sayers

Sayers on Holmes Dorothy L. Sayers

Sayers on Holmes collects the writings of Dorothy L. Sayers on the subject of Sherlock Holmes. In "Sherlock Holmes and His Influence," Sayers examines how the Sherlock Holmes stories affected the genre of detective fiction. In "The Dates in 'The Red-Headed League'" she discusses the contradictory dates in the Holmes story. In "Holmes' College Career" Sayers determines which university Holmes attended--Oxford or Cambridge--and speculates on a birth year for Holmes. "Dr. Watson's Christian Name" represents an effort by Sayers to solve the problem that Watson is called by different first names in different Holmesian stories. "Dr. Watson, Widower," is concerned with the speculation on Dr. Watson's possible multiple marriages. In addition, published here for the first time is the script she wrote for a radio production, "A Tribute to Sherlock Holmes on the Occasion of his 100th Birthday," in which the young Lord Peter Wimsey consults Sherlock Holmes.
