She (Penguin Classics) H. Rider Haggard

A classic Victorian adventure into the realm of the unknown

"She" is Ayesha, the mysterious white queen of a Central African Tribe and the goal of three English gentlemen, who must face shipwreck, fever, and cannibals in their quest to find her hidden realm. First published in 1887, *She* has enthralled the imaginations of many—from Freud, who prescribed the book to one of his patients, to the generations of readers, who remain fascinated by the book's revealing and fantastic representations of dangerous women, adventuring men, and unexplored Africa.

Available for the first time from Penguin Classics, edited by Patrick Brantlinger, this edition of one of the most famous works of popular literature includes a critical introduction, suggestions for further reading, and explanatory notes.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From reader reviews:

Michael Auten:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that guide has different type. Some people sense enjoy to spend their time to read a book. They are really reading whatever they get because their hobby is usually reading a book. Why not the person who don't like studying a book? Sometime, man or woman feel need book after they found difficult problem or maybe exercise. Well, probably you will want this She (Penguin Classics).

Mary Kenney:

This book untitled She (Penguin Classics) to be one of several books this best seller in this year, that's because when you read this book you can get a lot of benefit onto it. You will easily to buy this kind of book in the book retailer or you can order it by using online. The publisher of this book sells the e-book too. It makes you easier to read this book, as you can read this book in your Cell phone. So there is no reason to you personally to past this publication from your list.

Holly Hughes:

A lot of people always spent their very own free time to vacation or even go to the outside with them family or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you would like try to find a new activity that is look different you can read a book. It is really fun in your case. If you enjoy the book you read you can spent the whole day to reading a book. The book She (Penguin Classics) it doesn't matter what good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. Should you did not have enough space bringing this book you can buy the actual e-book. You can m0ore very easily to read this book through your smart phone. The price is not too expensive but this book offers high quality.

Tessa Krieger:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this She (Penguin Classics) can make you sense more interested to read.
