The Prairie Winds saga is a story of a young couple learning to live in the “new” west of Ohio in 1872. Little did they know that the challenges will be daunting, and dangerous. But they also realize that God “will never leave them or forsake them” and in knowing that they will succeed! Roni Wyatt is originally from California but is now living in the foothills of North Carolina. Her and her husband Jim travel all over the world as missionaries telling others the “Good News” of Christ’s salvation. She has been to several countries including India, Africa and the Philippines, not to mention several others. Her love of writing and books have been a lifelong passion and she acknowledges the Lord’s blessing on this dream. And she is excited to take this journey with all her readers!
