Always You

Erin Kaye

Always You Erin Kaye

A warm and highly emotive Irish writer who deals with issues that affect real women.

It's 1992 and Sarah is in love with Cahal, a boy from the wrong side of the tracks. As they plan to graduate from university, all seems set for their happily ever after...

Fast forward to 2012 and something's gone wrong. Cahal is out of the picture and Sarah is divorced from Ian by whom she's had two children. What happened? As Cahal walks back into Sarah's life, can they overcome past decisions and surrounding prejudice and make it work a second time around?

Perfect for fans of Cathy Kelly and Maeve Binchy.
