How do you cope when a deep or tragic loss leaves you feeling empty, angry, or alone? Healing is a journey, and while there are no shortcuts through the process of grief, God promises not to leave you in the valley of despair. June Hunt has counseled those who grieve for over 25 years, and this book will gently and truthfully lead you through the mourning process and into joy once again.

There are all types of grief; from the normal expression you feel when something tragic and unexpected happens, to chronic grief and repressed grief. This Christian book will help you determine what may have caused grief in your life and help you on the steps to recovery. Learn what grief work is and how it can help you commit to working through difficult grief and the stress that goes along with it. The effects of not experiencing healthy grief work may result in becoming isolated, insulated, inverted, immortalized, and denying your grief altogether.

In the section titled, Steps to Solution, June Hunt gives you practical advice on how to:

- Navigate through the Stages of Grief
- Resolve Grief Caused by True Guilt
- Move from Crisis to Contentment
- Let Go, Say Goodbye, and Find Peace
- Encourage Others to Overcome Loss

As you place your seasons of sorrow in God's hands, He promises to take you from sadness to strength, from pain to peace, and from darkness to the dawn of a new day. Experience God's peace for today and His hope for a vibrant, happy tomorrow.
