Complete Freedom From Phobia Ms Suzanne B Zacharia

Release your phobia with this easy EFT workbook, working step-by-step toward calm. Whether EFT is new to you or you are an EFT Practitioner looking for a tried and tested phobia release formula with EFT, this book is for you. If you have psychosis or schizophrenia, this is not for you; otherwise, anyone who has a phobia or who works with phobia can benefit from this easy and complete workbook. The original e-book edition was bought largely by EFT practitioners as a ready-to-use guide for their treatments. It is an EFT script that is personalized to your particular needs in a workbook format as your complete guide from fear to freedom. It really does it all for you, and you just need to fill in the gaps and follow the easy instructions. "Complete Freedom From Phobia is great! It's easy to read and understand. The way it is formatted is also excellent. I am adding this E-Book to my professional library. I will be looking forward to more great information" - Dr. John Benitez And even if you have just stumbled upon this page and have never heard of EFT before, that is perfectly OK. You have a full and easy explanation, enabling you to use EFT to release your phobia from the comfort of your home. To give you an idea, it took me just about an hour or so from the moment I started reading about EFT to when I experienced my first personal success with it. It is a simple but brilliant amalgamation of special acupressure plus releasing wording that helps you feel better and better and better. EFT has undergone rigorous study as a treatment for phobia and the most interesting thing is that the effects achieved by the EFT have lasted. I used to treat phobia with hypnotherapy. Not any more. I find EFT not only faster in producing results, but it produces a more complete result. This book uses specialist adaptations of EFT. The program of treatment is tried and tested by real people for your benefit. Buy your Complete Freedom From Phobia today and start to enjoy the benefits. Legal disclaimer - You are advised to assume responsibility for your own physical and mental wellbeing. Whilst some of the techniques used in this book have produced truly great results, they are still relatively new and have just started being put to rigorous scrutiny. Regardless of this proviso, you are advised to consult with your physician before embarking on any alternative or complementary treatment. This document does not constitute formal supervision of practitioners and practitioners take full responsibility for using it with their clients.
