**Education For Changing Unions** Bev Burke, Jojo Geronimo, D'Arcy Martin, Barb Thomas, Carol Wall *Education for Changing Unions* presents a rich, stimulating, and provocative storehouse of practical and structured activities, ideas, and debate about union education. Written in a clear and accessible style, the authors have created a book to inspire working people and teachers in many settings and locations. All the exercises and activities have been widely tested. Six thematic threads tie the book together: community, democracy, equity, class consciousness, organization building, and the greater good. Evaluation, strategic planning, and survival for the long haul round out the discussion. See also the popular companion book, *Educating for a Change*, Martin et al. (BTL, 1991).
