The Olds Abroad Bob Cooke

Thought of going travelling? Jealous of everyone telling you about their experiences in exotic lands? Think you're too young, or too old, to do something about it? So did we. That's why we did something about it.

At 60 years old, with just our hand luggage, we travelled around the world for one hundred and fifty-three days.

This book documents how, why and what happened. All taken from our diaries. The planning, destinations and accommodations. Tales from India. Road trips in Australia and New Zealand. A jungle homestay in Fiji. Overland adventures across South America in Chile, Peru, Bolivia and Brazil.

Join us for the fun, excitement, scares and near disasters.
