Beyond the NICU: Comprehensive Care of the High-Risk Infant William Malcolm

Improve medical and developmental outcomes in high-risk infants with evidence-based management strategies

Beyond the NICU is the first book to deliver practical, evidence-based strategies for healthcare providers caring for the NICU graduate during convalescence and after discharge. It is a guide to the successful transition of a high-risk infant from intensive care to the intermediate-level nursery, and then, to help the child thrive outside of the hospital in a home environment.

To advance the standard of care of these vulnerable patients, *Beyond the NICU* draws together clinically focused guidelines to improve patient outcomes and reduce hospital readmissions. Drawing on an international team of respected authorities, *Beyond the NICU* provides the strategies necessary to ensure the success of convalescing NICU graduates in both inpatient and outpatient settings.
