## **Crystal Healing: The Next Step (Llewellyn's New Age)** Phyllis Galde

If you have ever seen a person who was ailing and wanted to help, it's time for you to get *Crystal Healing* by Phyllis Galde. With the help of this book you will learn how to use crystals and common gemstones to heal the mind, body, and spirit of friends, family, and yourself.

This book begins with a scientific introduction to crystals: how they're created, what they look like, and their different forms. The book looks at them from a historical viewpoint as well, including a survey of the use of crystal balls.

*Crystal Healing* is really the next step in this process. It reveals the secrets of a special type of crystal known as electronic quartz. In this form it is perfectly clear and without any flaws. There are no impurities to interrupt or alter the flow of energy through them. They are the ideal tools for healing.

Here you will learn that crystals work to amplify what you are sending. The book reveals easy-to-follow techniques that will allow you to program the crystals for any purpose. You'll discover how to use them to heal yourself and others; how they can help to reprogram your subconscious, heal pets, make special spiritual tools, and create amulets; and even discover how to program them to create the dreams you desire.

For a book that is both scientific and spiritual, for learning about the ancient traditions and the modern methods of working with crystal and gem healers, you must get *Crystal Healing*.
