Everyman Chess are proud to present a new title in their much-admired *Dangerous Weapons* series, which specializes in supplying the reader with an abundance of hard-hitting opening ideas. Many of the carefully chosen weapons are innovative, visually shocking and incredibly tricky; they are guaranteed to throw even your most experienced opponent off balance.

In this new book, four renowned opening experts examine the Benoni and the Benko, and select a number of original or little-explored variations for both colours. Whether playing White or Black, a study of this book will leave you confident and fully-armed, and your opponents running for cover!
