**Only Mystery: Federico Garcia Lorca's Poetry in Word and Image** Sandra Forman, Allen Josephs  
Weaving together twenty-one drawings and new translations of prose pieces and poems, *Only Mystery* presents a textured life of Spain's greatest modern poet and playwright. The guiding principles for selecting poems, prose, and paintings were dramatic effect and narrative cohesion. Originally designed for performance in Readers Theatre, *Only Mystery* may be appreciated as both a dramatic text for performance and an illustrated narrative of the poet's lyrical world.
