Rose Sees Red

Cecil Castellucci

Rose Sees Red Cecil Castellucci

Partly based on the author's own experiences at the famous Manhattan high school for the performing arts, this novel explores friendship, freedom, and the art of challenging convention.

Set in New York in the 1980s, this story of two ballet dancers (one American, one Russian) recounts the unforgettable night they spend in the city, and celebrates the friendship they form despite their cultural and political differences.
