The Witch Hunter's Handbook: The doctrines and methodology of the Templars of Sigmar (Warhammer S.) Darius Hinks

This is a full-blooded and characterful background book about the dreaded witch hunters who inhabit Warhammer's dark and gothic fantasy universe, the Old World. The book reveals many secrets of the Templars of Sigmar and their bloodthirsty techniques, describing in eye-watering detail how they root out evil and crush heresy. Accompanying the text is wonderful design and fantastically gruesome illustrations. This is certainly the grimmest book about the Old World so far!
