Intersex

Catherine Harper

Intersex Catherine Harper

'Intersex' is the condition whereby an individual is born with biological features that are simultaneously perceived as male and female. Ranging from the ambiguous genitalia of the true 'hermaphrodite' to the 'mildly or internally intersexed', the condition may be as common as cleft palate. Like cleft palate, it is hidden and surgically altered, but for very different reasons.

This important book draws heavily on the personal testimony of intersexed individuals, their loved ones, and medical carers. The impact of early sex-assignment surgery on an individual's later life is examined within the context of ethical and clinical questions. Harper challenges the conventional and radical 'treatment' of intersexuality through non-consensual infant sex-assignment surgery. In doing so she exposes powerful myths, taboos, and constructions of gender - the perfect phallus, a bi-polar model of gender and the infallibility of medical decisions. Handling sensitive material with care, this book deepens our understanding of a condition that has itself only been medically understood in recent years.

From reader reviews:

Cortney Roller:

Now a day people who Living in the era wherever everything reachable by interact with the internet and the resources inside it can be true or not demand people to be aware of each facts they get. How individuals to be smart in having any information nowadays? Of course the answer then is reading a book. Examining a book can help people out of this uncertainty Information particularly this Intersex book since this book offers you rich information and knowledge. Of course the info in this book hundred percent guarantees there is no doubt in it everbody knows.

Owen Ray:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read any book. It is really fun for you personally. If you enjoy the book that you just read you can spent all day every day to reading a guide. The book Intersex it is extremely good to read. There are a lot of those who recommended this book. These were enjoying reading this book. In case you did not have enough space to bring this book you can buy the particular e-book. You can mOore quickly to read this book out of your smart phone. The price is not to cover but this book has high quality.

Linda Matthews:

Your reading sixth sense will not betray an individual, why because this Intersex publication written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written throughout good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own personal hunger then you still doubt Intersex as good book not just by the cover but also by content. This is one publication that can break don't ascertain book by its include, so do you still needing one more sixth sense to pick this!? Oh come on your studying sixth sense already alerted you so why you have to listening to another sixth sense.

Bess Cook:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Intersex can make you sense more interested to read.
