Fr. Faber calls it the price of our salvation, for Our Lord died from loss of blood. Says, it is out of the Precious Blood that men draw martyrdoms, vocations, celibacies, austerities, heroic charities and all the magnificent graces of high sanctity. Says the Sacraments are God's machinery for keeping His Precious Blood always flowing in the Church and that the evils on earth and the pains of Hell would be much worse without the shedding of Our Lord's Precious Blood.
