In Search of Small Gods

Jim Harrison

In Search of Small Gods Jim Harrison

“Jim Harrison has probed the breadth of human appetites—for food and drink, for art, for sex, for violence and, most significantly, for the great twin engines of love and death. Perhaps no American writer better appreciates those myriad drives; since the publication of his first collection of poetry . . . Harrison has become their poet laureate.”—Salon.com

In Jim Harrison’s new book of poems, birds and humans converse, biographies are fluid, and unknown gods flutter just out of sight. In terrains real and imagined—from remote canyons and anonymous thickets in the American West to secret basements in World War II Europe—Harrison calls his readers to live fully in a world where “Death steals everything except our stories.” *In Search of Small Gods* is an urgent and imaginative book—one filled with “the spore of the gods.”

Maybe the problem is that I got involved with the wrong crowd of gods when I was seven. At first they weren’t harmful and only showed themselves as fish, birds, especially herons and loons, turtles, a bobcat and a small bear, but not deer and rabbits who only offered themselves as food. And maybe I spent too much time inside the water of lakes and rivers. Underwater seemed like the safest church I could go to . . .

Jim Harrison is the author of thirty books of poetry, fiction, and nonfiction, including *Legends of the Fall* and *Shape of the Journey*. A long-time resident of Michigan, he now lives in Montana and Arizona.

From reader reviews:

Herman Ovalle:

What do you concentrate on book? It is just for students since they are still students or the idea for all people in the world, exactly what the best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby per other. Don't to be compelled someone or something that they don't desire do that. You must know how great along with important the book In Search of Small Gods. All type of book would you see on many solutions. You can look for the internet methods or other social media.

Bruce Jones:

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love In Search of Small Gods, you can enjoy both. It is great combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its named reading friends.

Mariano Smith:

In Search of Small Gods can be one of your starter books that are good idea. All of us recommend that straight away because this publication has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The article author giving his/her effort to place every word into joy arrangement in writing In Search of Small Gods however doesn't forget the main level, giving the reader the hottest in addition to based confirm resource details that maybe you can be certainly one of it. This great information may drawn you into completely new stage of crucial considering.

Hector Duggan:

Your reading 6th sense will not betray an individual, why because this In Search of Small Gods publication written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still uncertainty In Search of Small Gods as good book not only by the cover but also from the content. This is one reserve that can break don't determine book by its handle, so do you still needing a different sixth sense to pick this specific!?! Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.
