The world's most iconic building... and the woman that history forgot.

Pisa, 1999

Sam Campbell sits by her husband's hospital bed. Far from home and her children, she must care for Michael who is recovering from a stroke. A man she loves deeply. A man who has been unfaithful to her.

Alone and in need of distraction, Sam decides to pick up Michael's research into the Leaning Tower of Pisa. Immersing herself in the ancient city, she begins to piece together the mystery behind the creation of the Tower, and discovers the woman that history forgot...

Pisa, 1171

Berta di Bernardo, the wife of a rich merchant, sits in her chamber, dressing for a dinner party. A gathering that will change the course of her life and that of a young master mason, Gerardo, forever.

A strong, intelligent woman, Berta's passion for architecture also draws her closer to Gerardo. As she embarks on a love affair, her maid Aurelia also becomes spellbound by the same man. Yet for Berta, her heart's desire is to see the Tower built, and her determination knows no bounds...

A richly drawn and absorbing novel of passion and power, love and redemption that will captivate fans of Victoria Hislop, Tracy Chevalier and Kate Furnivall.
