The Coming Great Calamity Marvin Moore

From the Author of "The Crisis of the End Time."

Are you prepared for your world to be shaken to its very foundations?

Religion will control the governments of our world just before Jesus comes again. The Bible predicts it. But something drastic will have to happen between now and then to allow spiritual powers to capture not only the attention, but the blind obedience, of the secular masses who today scoff at religion.

Marvin Moore calls our attention to startling biblical predictions about what lies ahead. Everything could change in the twinkling of an eye—as a response to calamities beyond anything humanity has ever experienced.

Forewarned is forearmed. Be prepared to live through the events that will usher in a new world order. The Coming Great Calamity is a forewarning. It is up to you to be forearmed.
