Meet Clorinda!

Life on the farm is everything a cow like Clorinda could want, or so she thought. Then one Election Day, while up at dawn to travel to the distant city to cast her annual ballot, Clorinda is confused by the signs and stumbles into a performance of classical ballet instead. Bewilderment soon gives way to enchantment and she loses her heart to the magic of the dance. Clorinda's dream of becoming a bovine ballerina is set and she's headed for the big-city stage to start her career. Her mottoes, "Be bold and imaginative! Shoot for the sky!"

Robert Kinerk's witty and spirited verses combine with Steven Kellogg's effervescent and expansive artwork to introduce an endearing heroine. Irrepressible Clorinda will inspire standing ovations and cries of "ENCORE!" from picture-book readers of all ages.

From reader reviews:

Verna Smith:

In this 21st one hundred year, people become competitive in every single way. By being competitive right now, people have do something to make all of them survives, being in the middle of the particular crowded place and notice through surrounding. One thing that at times many people have underestimated the item for a while is reading. Yep, by reading a e-book your ability to survive enhance then having chance to endure than other is high. For you who want to start reading some sort of book, we give you this kind of Clorinda book as beginning and daily reading book. Why, because this book is greater than just a book.

Paul Norris:

As people who live in the modest era should be revise about what going on or info even knowledge to make these individuals keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by examining books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Clorinda is our recommendation to help you keep up with the world. Why, as this book serves what you want and need in this era.

Joseph Gee:

Reading a book for being new life style in this yr; every people loves to examine a book. When you study a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information onto it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your study, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, as well as soon. The Clorinda provide you with a new experience in reading through a book.

Jonathan Leake:

Is it you actually who having spare time then spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Clorinda can be the answer, oh how comes? It's a book you know. You are consequently out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?
