Dreams Deferred: A Concise Guide to the Israeli-Palestinian Conflict and the Movement to Boycott Israel

Dreams Deferred arrives as debates about the future of the Middle East and the Israeli-Palestinian conflict intensify under the extraordinary pressure of a region in chaos. The book empowers readers to be informed participants in conversations and debates about developments that increasingly touch all of our lives. Its sixty concise but detailed essays give facts and arguments to assist all who seek justice for both Israelis and Palestinians and who believe the two-state solution can yet be realized. Inspired both by the vision of a democratic Jewish state and by the need for Palestinian political self-determination, the book addresses the long history of the Israeli-Palestinian conflict and its current status. It demonstrates that the division and suspicion promoted by the Boycott, Sanctions, and Divestment (BDS) movement will only undermine the cause of peace.
