## **From Gangster to Gangsta: Bad Boys of Cinema** Stephen Hoover

Updated Edited Second Edition! Everyone loves a bad boy and Hollywood knows it. Whether they're good-hearted rebels who spiral out of control or the patriarchs of massive, murderous crime syndicates, audiences have never run short of interest in men who cross legal, moral and ethical lines. Many of the characters featured in this book do so in spectacular, and oftentimes deadly, fashion. *Gangster to Gangsta: Bad Boys of Cinema* takes a look at some of the most memorable movie bad boys out there and sees what makes them tick and what makes people so enamored with them. From classics such as *The Godfather* to films that just don't get the attention they deserve, such as *The Harder They Come*, this book takes a look at the stories, the characters and the context of both that make bad boy films as popular as they are. Rather than focusing on technical information and the same dry, sterile content that appears in so many other places, this book focuses on the stories to the characters in the films, what the characters are actually rebelling against and how the image of the gangster has changed over the years as society has evolved. *Gangster to Gangsta* takes the reader through films that explore the seats of Mafia power to the meanest streets in LA and offers insight on some of the best crime films out there that give bad boys a chance to show their true natures, and that keep audiences transfixed.
