## **The Power of Numbers** Mary Valla

The power of numbers is a compilation of lessons in Numerology as written and taught by the author, Mary Valla. The publication of this book was brought about by public demand for these in book form after lecturing personally and on T.V. as well as by her students requests. Her analysis of a number in each of its five positions derived from the birth date and name has been based on notes taken during thirty years of private counseling and research. The accuracy has proven phenomenal. Sincere students of Numerology will find it a help in their personal lives, in business and in understanding all people.
