Rock Paper Tiger (An Ellie McEnroe Novel) Lisa Brackmann

American Iraq War veteran Ellie Cooper is living in Beijing when a chance encounter with a Uighur—a member of a Chinese Muslim minority—at the home of her sort-of boyfriend Lao Zhang turns her life upside down. Lao Zhang disappears, and suddenly multiple security organizations are hounding Ellie for information. They say the Uighur is a terrorist. Ellie doesn't know what's going on, but she must decide whom to trust among the artists, dealers, collectors, and operatives claiming to be on her side—in particular, a mysterious organization operating within a popular online role-playing game. As she tries to elude her pursuers, she's haunted by memories of Iraq. Is what she did and saw there at the root of the mess she's in now?
