A Short History of the Renaissance in Europe

Margaret L. King

A Short History of the Renaissance in Europe Margaret L. King

Writing about the Renaissance can be a daunting task. Not only do scholars disagree on what the Renaissance *is*, but they also disagree on whether or not it even took place. Margaret L. King's richly illustrated social history of the Renaissance succeeds as a trusted resource, introducing readers to Europe between 1300–1700, as well as to the problems of cultural renewal.

A Short History of the Renaissance in Europe includes a detailed discussion of Burckhardt as well as new content on European contact with the Islamic world. This new edition also provides improved coverage of the Protestant and Catholic Reformations. "Focus" features provide fascinating insights into the Renaissance era, and "Voices" sections introduce a wealth of primary sources.

King's engaging narrative is enhanced by over 100 images, statistical tables, timelines, a glossary, and suggested readings.
