## **Endless Sea: Alone around Antarctica--As Far South as a Boat Can Sail** Amyr Klink

Amyr Klink, whose sailing exploits have made him a hero in Brazil, tells of his daring singlehanded circumnavigation below the Antarctic Convergence. Surfing the waves in his custom-built 50-foot "aluminum red truck," *PARATII*, Klink enjoys the quiet confidence that comes from proper planning, common-sense technology, and a lifelong fascination with the history of Southern Ocean sailing.

A modern Moitessier, sailing before an Aerorig mast, Klink proves his seamanship handling tricky boat repairs while underway, navigating icebergs, negotiating gales and williwaws, and surfing gigantic waves.
