The Canoe and the Saddle, Adventures Among the Northwestern, Rivers and Forests (Classic Reprint)

Theodore Winthrop

Columbia, Achilles of rivers. Other mighty streams may swim feebly away seaward, may sink into foul marshes, may trickle through the ditches of an oozy delta, may scatter among sand-bars the currents that once moved majestic and united. But to this heroic flood was destined a short life and a glorious one, a life all one strong, victorious struggle, from the mountains to the sea. It has no infancy, two great branches collect its waters up and down the continent. They join, and the Columbia is born to full manhood. It rushes forward, jubilant, through its magnificent chasm, and leaps to its death in the Pacific.
