Going through "the change" isn't easy on any woman. Mood swings, hot flashes, hormonal imbalances, and itchy skin are par for the course. But for these four seemingly unrelated women, menopause brought changes none of them had ever anticipated-super-heroic changes. Helen discovers a spark within that reignites her fire. Jessica finds that her mood is lighter, and so is her body. Patricia always had a tough hide, but now even bullets bounce off her. Linda doesn't have trouble opening the pickle jar anymore...now that she's a man. When events throw the women together, they find out that they have more in common than they knew-one person has touched all their lives. The hunt for answers is on.
