Preaching with Power: Dynamic Insights from Twenty Top Communicators

For twenty years Preaching magazine has observed, encouraged, and reported on the state of Christian proclamation. Among the most important and popular features of the publication are the personal interviews with outstanding preachers and influencers of preaching. Preaching with Power combines the best of the most recent interviews to build a resource that imparts valuable insight from many gifted communicators. Editor Michael Dudit has skillfully combined interviews with such luminaries as Bryan Chapell, T. D. Jakes, Haddon Robinson, Rick Warren, and more. Each tells his own story in his own words, speaking about his passion to preach God's truth. Better than any volume currently available, this collection captures the rich diversity and power of preaching in America.
