Naked Masks: Five Plays (Meridian) Luigi Pirandello

This special one-volume edition features five great plays by one of the most celebrated and fascinating dramatists of the twentieth century.

Pirandello, awarded the Nobel Prize in 1934, was the playwright *par excellence* of the conflict between illusion and reality. His modern and sensationally original plays dramatize with force and eloquence the isolation of the individual from society and from himself.

The editor, Eric Bentley, is an international theater authority. In addition to the Introduction and the biographical and bibliographical material in the Appendices, Mr. Bentley has prepared for this volume the first English translations of the play *Liola* and Pirandello's important "Preface" to *Six Characters in Search of an Author*.

Included Plays:

Liola

It Is So! (If You Think So)

Henry IV

Six Characters in Search of an Author

Each in His Own Way
